

### **crate escape dog training pdf**

Crate training is the process of teaching a pet to accept a dog crate or cage as a familiar and safe location. Advocates claim that dogs are den-dwelling animals and that a crate can become a den substitute. While this is a widely held belief, there is little evidence to support it. Regardless, most puppies can learn to tolerate crate training if it is introduced properly.

Obedience training usually refers to the training of a dog and the term is most commonly used in that context. Obedience training ranges from very basic training, such as teaching the dog to reliably respond to basic commands such as "sit," "down," "come," and "stay," to high level competition within clubs such as the American Kennel Club, United Kennel Club and the Canadian Kennel Club, where ...
