

credit card minimum amount pdf

Have you ever been billed for merchandise you either returned or never received? Has your credit card company ever charged you twice for the same item or failed to credit a payment to your account?

Disputing Credit Card Charges | Consumer Information

A credit card is a payment card issued to users (cardholders) to enable the cardholder to pay a merchant for goods and services based on the cardholder's promise to the card issuer to pay them for the amounts plus the other agreed charges. The card issuer (usually a bank) creates a revolving account and grants a line of credit to the cardholder, from which the cardholder can borrow money for ...
