Have you ever been billed for merchandise you either returned or never received? Has your credit card company ever charged you twice for the same item or failed to credit a payment to your account?

### **Disputing Credit Card Charges | Consumer Information**

A credit card is a payment card issued to users (cardholders) to enable the cardholder to pay a merchant for goods and services based on the cardholder's promise to the card issuer to pay them for the amounts plus the other agreed charges. The card issuer (usually a bank) creates a revolving account and grants a line of credit to the cardholder, from which the cardholder can borrow money for ...

### **Credit card - Wikipedia**

Credit card authorization forms, and ACH™ for bank account authorization, allows a 3rd party to make a payment by using a person's written consent. This can either be for a 1-time charge or recurring (weekly, monthly, etc). This is a common procedure when an individual authorizes a subscription that renews on a monthly basis (such as gym memberships, monthly rent, etc.).

It's also worth noting that because American Express acts as both the credit card association and the credit card-issuing bank, the Amex fee setup and terminology is a bit different. However, the OptBlue program has brought Amex closer in line with the other associations in recent years in terms of both functionality and pricing. Check out our article on Amex rates and fees for more information.
