Bonjour from Burgundy â€” I watched last eveningâ€™s programme (part 1) and found it fascinating. I have just taken the test and found that I am virtually one third emotional eater, one third feaster and one third a constant craver â€” not sure which diet would be best for me!

### **How to avoid hidden sugars in foods - The Fast Diet**

An Interesting Finding Susceptible strains of rodents fed high-fat diets overeat, gain fat and become profoundly insulin resistant. Dr. Jianping Ye's group recently published a paper showing that the harmful metabolic effects of a high-fat diet (lard and soybean oil) on mice can be prevented, and even reversed, using a short-chain saturated fatty acid called butyric acid (hereafter, butyrate).
