Education is the process of facilitating learning, or the acquisition of knowledge, skills, values, beliefs, and habits. Educational methods include storytelling, discussion, teaching, training, and directed research. Education frequently takes place under the guidance of educators and also learners may also educate themselves. Education can take place in formal or informal settings and any ...

Travelling a mile on a motorcycle carries a much higher risk of death or injury than driving the same distance in a car. In 2006 US motorcyclists had a risk of a fatal crash that was 35 times greater than that of passenger cars, based on 390 motorcyclist deaths per billion vehicles miles and 11.1 car fatalities for that distance. In 2016 this rate was 28 times that for car occupants.

Alliance MBS founded as Manchester Business School in 1965 as one of the first two business schools in the UK. The city has always been a hub for radical thought and the School reflects this sense of constant activity and innovation in its research, combining the old and the new, the orthodox and the radical in the breadth of its approach.
