The 3 national credit reporting agencies in the United States are Equifax, Experian, and Trans Union. Experian was formerly known as TRW. A fourth national credit reporting agency named Innovis exists, but does not currently seem to factor into decisions for denials of credit, insurance or employment. It is more in a development stage.

Note that while there are somewhat complicated regulations about surcharging, a common loophole to offset processing costs is something called "cash discounting." This refers to a processing system that is designed to have the credit card rate be baseline and offer a discount for cash and debit customers.
