How do I search for classes? The Schedule of Classes displays class and professor names, number of credits, and time and location of classes offered for the semester. The advanced search option allows students to search by class subject, or day and time of class offering. The Schedule of Classes can also be used to check pre-requisite requirements for classes.

The Dewey Decimal Classification (DDC) is structured around ten main classes covering the entire world of knowledge; each main class is further structured into ten hierarchical divisions, each having ten sections of increasing specificity. As a system of library classification the DDC is "arranged by discipline, not subject", so a topic like clothing is classed based on its disciplinary ...
